Reviews

Alicia

"We held our daughter's 3rd birthday party here today and it was absolutely amazing. The soft play itself is wonderful; so beautifully designed with lots of magical surprises for little ones to discover as they play. The staff were also brilliant - Tor was so responsive and helpful throughout the booking process and Rebecca was amazing on the day - she was so friendly and helpful and great with the kids. We also had a reserved seating area after the play session and food for the kids booked which was all seamlessly organised, along with any extras that the adults had ordered. It was a really fantastic morning and we will definitely be returning to play again soon! Thank you to the whole team for creating such a perfect birthday party."

Paula

"The terrace was absolutely perfect and so warm, and all of our guests commented on what a beautiful space it was. The soft play worked perfectly for the kids and I can honestly say that it was the best soft play I've ever been to. It was immaculate and so well thought out, and the kids really did have a great time in there. We will definitely be back!

I also wanted to say a huge thank you to Rebecca. She couldn't have done enough for us and she went out of her way to make sure that everything was perfect. She really did go above and beyond in looking after us and the whole afternoon was seamless. Please pass on our thanks to her and to all your team who made Nancy's birthday celebrations so memorable."
